

HYDRAULIC CONVERSION FOR 4¼', 5½' AND 7' HD SYMONS™ CONE CRUSHERS

We offer Hydraulic Conversion for locking the bowl during crushing and adjusting the crusher setting up or down with push button controls.

- ◆ Improves operational safety and convenience
- ◆ More reliable and durable components for long and trouble free operation
- ◆ Super Duty Lockposts and Rams are the best in the industry
- ◆ In “Auto” mode the Adjustment Rams operate continuously until the control is put in neutral. Saves operator the trouble of manual cycling. You can also use “Manual” mode if desired.
- ◆ You can install and remove the bowl quickly with this conversion
- ◆ Conversion can be installed in the field with minimum of rework
- ◆ All components are **made in USA**
- ◆ Save thousands of \$ over the competitions' pricing
- ◆ Normally available within 3-4 weeks

Improving your profits through innovative products is our passion
